Chapter 10. Professional development in EMI; Chapter  
11. Evaluation of EMI programs; Postscript: Looking  
back and looking forward with EMI; Bibliography;

# Teaching and Learning in English Medium Instruction

An Introduction

**Jack C Richards**, University of Sydney, Australia with  
**Jack Pun**, City University of Hong Kong, Hong Kong

The book contains a number of short chapters written in an accessible style with discussion questions and practical follow up tasks. Throughout the book, key theory and research serves to introduce the core issues involved in EMI, which are then explored in terms of implications for practice. The book can be used in workshops and courses and for groups that include EMI teachers of content subjects, EAP teachers, TESOL students, and teachers and education officials involved with the implementation of EMI in different contexts. With the expansion of EMI worldwide in recent years the book seeks to introduce EMI to a new generation of EMI teachers and language teaching professionals.
